San Pedro All Year Gardens Rules

As of 1/3/18

Thank you for your interest in joining the SAN PEDRO ALL YEAR GARDEN! The Community Garden consists of over 220 plots that are available for lease by households, communal and educational plots, shared fruit trees, and native plants. The garden is a shared space. It is important that everyone agrees to these rules for how to maintain the garden and its shared areas as well as cultivate positive relationships between community members. Gardening here is a privilege. We expect you to respect the land, your fellow gardeners, and our neighbors. These garden rules will be reviewed every 12 months to ensure that they reflect the specific needs of the garden.

Garden Hours, Maintenance, and Tools

1. Gardeners may access the garden from sunrise to sundown daily, year-round. Gardeners are responsible for locking the gate behind them. Keys and combinations are strictly for personal use and must not be shared with others.
2. Gardeners must plant their plot within 15 days of the plot being assigned. They must garden year-round.
3. If gardeners are unable to tend the plot due to illness or traveling, they must arrange for someone else to tend the plot and notify the Area Captain or the Board of Directors.
4. Gardeners must keep their plot, paths, and surrounding areas around their plot clean and free of trash, weeds, and debris. Plots must be free of weeds, pests, and diseases. Because of the communal nature of a community garden, this is necessary to control against invasions of the whole garden.
5. Plot boundaries are clearly defined and plants must remain within the boundaries of each plot.
6. Sun is a requirement for plant growth. Gardeners may not plant trees or any plants higher than 10 feet. Plants that block the sun to another gardener's plot must be trimmed or removed.
7. Every gardener is required to maintain the pathway surrounding their plot.
8. Gardeners must not apply any pesticides, insecticides or herbicides in the garden without approval from the Board of Directors. Organic gardening promotes the health of our produce, soil, and fellow gardeners.
9. Gardeners shall not cultivate any plants that are illegal.

24. Gardeners must not use abusive or profane language or discriminate against others for any reason including but not limited to: age, race, religion, national origin, gender, sex, sexual orientation, political affiliation or ability.
25. Gardeners' guests and visitors may enter the garden only if accompanied by the main gardener. Guests and visitors must follow all rules, terms, and conditions stated here.
26. All children under 18 years must be supervised by a responsible adult.
27. Alcohol, tobacco, and illegal drugs are prohibited in the garden. Anyone found to be under the influence of alcohol or illegal drugs will forfeit their gardening rights.
28. Possession of dangerous chemicals, harmful substances, and fire arms is prohibited at all times.
29. Pets are not allowed in the garden.
30. Community events may only be held in the garden with the permission of the Board of Directors.
31. Headphones must be used if playing music in the garden, except for at a community event with the permission of the Board of Directors.
32. Gardeners may not collect money or organize raffles without the permission of the Board of Directors.

Consequences for Violating the Garden Rules

 - b. For the second incident, a written warning
 - c. In the event of a third incident, a gardener will be required to leave the garden
37. Upon dismissal, dues will not be returned. You may take plants from the plot and it is expected it will be left as it was found. Any fencing on the plot is the property of the San Pedro Community Garden and cannot be removed.

10. Gardeners are responsible for taking all trash or recyclables that belong to them out of the garden.
11. Tools must be returned to their proper location after use to keep the garden and toolsheds in a neat condition. Gardeners are responsible for locking the toolsheds. If a tool is missing, damaged or broken, inform a member of the Board of Directors immediately. Gardeners may be held responsible for damaged or broken items or equipment and they may not be replaced if missing or broken.
12. Please conserve water and use a trigger-operated nozzle on the hose as required by California law. Notify the Area Captain or the Board of Directors of any leaks. Maintain your raised bed to conserve water.
13. Leave all hoses coiled near the water spigots.
14. Gardeners are required to contribute a minimum of two volunteer hours each month to maintain the communal areas of the garden.

Plot Assignments and Gardener Meetings

15. Plots are assigned based on the date and time of receipt of the plot application. Only one plot will be assigned per household. Applications will initially be received by the Area Captain in-person at the garden site from March 10 to March 16. Any dues not paid by March 16 will be collected by the President from March 17 to March 23. Any dues paid after March 23 will be subject to a \$25 late fee.
16. The 2018 plot fee is \$30 per year, due on March 17. The plot fee will be reassessed after 12 months to ensure that it covers the cost of all bills and basic garden maintenance.
17. The full payment must accompany the application. Payment can be made by check payable to "San Pedro Community Garden" or by cash. A receipt will be issued immediately for all cash payments. Please retain your receipt for your records.
18. Plots are assigned for a 12-month period. Renewal is not automatic and is based on gardeners' following the rules.
19. Fees will not be refunded.
20. If all plots have been assigned, an applicant will be placed on a waitlist. The volunteer Board of Directors will maintain this waitlist.
21. Gardeners are required to attend a yearly meeting at the community garden.

Mutual Respect

22. Gardeners must not take food, plants or materials from other gardeners' plots.
23. Gardeners must not water, weed or cultivate other gardeners' plots without expressed permission from that plot's main gardener.
